*'Being the best that we can be'*

Dear Parents/ Carers,

Following a very successful After School Activities programme in Term 1, our Term 2 registration morning for clubs will take place on **Tuesday 19<sup>th</sup> December from 8.15am** in the school Assembly Hall.

Registration for **most** activities will take place at this time and places are allocated on a first come, first served basis. All activities will run 'waiting lists' as places for Term 2 may be limited. Parents can register their child for a range of activities during this time. If parents are unable to make the event, any responsible adult can register your child for you. **Fees must be paid at this event for all clubs or a place will not be guaranteed.** Cheques should be made payable to the tutor/ school where applicable. Please see overleaf for an overview of activities that require registration in school on this morning.

Once again, **not all activities will require registration in school.** A number of activities can be registered for by contacting tutors directly, with payments being made via Paypal or bank transfer for your convenience. Activities will have a limited number of places and again, are allocated on a first come first served basis. To secure a place the tutor must be contacted via email ,phone or their website. **Please note, details left on a voicemail cannot guarantee a place.**

If contacting a tutor via email, please include the following points of information:

- Your child's name
- Your name and contact (email or phone number)
- Year group and class teacher (e.g. P4 Mrs Connolly)

If your child has secured a place, the tutor will confirm this by returning an email with details attached of how to pay.

Points to note:

- Due to exceptional closures, staff training days and school holidays, a number of activities will miss some sessions. These have been factored into the cost. **Please look carefully at the dates listed beside each activity.**

## *'Being the best that we can be'*

- Most activities will begin on **Tuesday 9<sup>th</sup> January** and end on **Wednesday 28<sup>th</sup> March**. Art Club with Ms Gorman, Spanish, French Netball and Coding Club will commence week beginning **Monday 15<sup>th</sup> January**. There will be no activities week beginning 12<sup>th</sup> Feb (mid-term break) and 12<sup>th</sup> March (to accommodate reporting to parents).
- Dance with Lizi will operate for 6 weeks throughout January and February. This has been factored into the overall cost. **Dance will return fully in term 3.**
- Miniversity will also offer a Junior Club this term for pupils in P1-3 however, in the event that it is no longer viable to operate the club (due to an insufficient number of registered pupils) parents will be informed promptly and all monies refunded in advance of the 1<sup>st</sup> scheduled session on 11<sup>th</sup> January.
- Pupils who attended **Netball** and **Drama** in Term 1 will be automatically re-registered for Term 2 and 3, there will be no charge for this club. **Registration for these clubs is now closed** – only those attending from September may attend in Term 2 to allow the leaders to build on skills already developed throughout Term 1.
- **Information regarding After School Activities will be sent via text message/email and updated on the school's live Twitter account, for example if an activity is cancelled. Please make sure that information provided to the office is up to date.**

Please see overleaf for a detailed overview of clubs taking place in Term 2 and how to register your child. If you have any enquiries or questions, please do not hesitate to contact Miss McAnerney.

Kind Regards,

Miss C. McAnerney (After Schools Co-ordinator)

## **New Clubs Information**

### **Labrats Science Detectives P2-P7**

This new and exciting programme delivers hands on science experiences and practical investigations. Qualified science teachers bring the Science Lab to the classroom so that pupils can have fun experimenting and learning about biology, physics, chemistry and earth science each week. All practical investigations/experiments are fully risk assessed in line with health and safety regulations.

### **Gardening/Eco Warrior Club P1-P3**

Mrs Hunter, our resident gardener and Eco Council Leader, will be overseeing this new and exciting activity! Children will learn how to create and sustain their own garden - planting, caring for and selling their own flowers and produce. Each week will have a different focus including the following themes - Woodland Tales, Scavenger Hunt, Art from the Garden, Bulb Planting, Wind Chimes, Bird Feeders...and much more!
