'Being the best that we can be'

Dear Parents/ Carers,

We are delighted to outline our After School Activities programme for Term 1. This academic year, we will continue to operate the Schoolmoney system as a means of online booking and registration for clubs. We hope that you continue to find this convenient and easy to use.

Booking for Term 1 clubs will open on **Wednesday 4th September at 7.30am**. Places are limited in all clubs and will be allocated on a first come first served basis. Before booking, please ensure you are familiar with the Schoolmoney system and payment details are set up. To secure a place in any after school club, *full payment will be required*.

Points to note:

- **If you wish to book a place in Miniversity, you will need to contact them directly. See below for email and website details.** This will be the only club you cannot book onto via your Schoolmoney account.
- There will be **NO** After School Activities for **Primary One** pupils in Term 1 as the staggered intake in September will result in them missing a number of sessions. Clubs for Primary One pupils will begin in Term 2 (after Christmas).
- In the event that a club is no longer viable to operate (due to an insufficient number of registered pupils) parents will be informed promptly and all monies refunded in advance of the first scheduled session of the term.
- **Please look carefully at the dates listed beside each activity. ALL activities will begin on Monday 9th September and all will end on Friday 29th November.** There will be no activities on the week beginning **Monday 21st October** as school will be closing at 2pm each day to accommodate parent teacher meetings. This has been factored into dates/costs, please read carefully.
- **Information regarding after school activities will be sent via text message, for example if an activity is cancelled. Please make sure that information provided to the office is up to date.**

Please see below for a detailed overview of clubs taking place in Term 1. If you have any enquiries or questions, please do not hesitate to contact to Mrs McManus.

Kind Regards,

Mrs C. McManus (After Schools Co-ordinator)

Mr Murray (Principal)

'Being the best that we can be'

Information on New After School Activities:

- Fun and Fitness

Fun and Fitness is an exciting new club that mixes exercise, movement and music. The weekly sessions will be fun based exercise circuits, developing core skills including, running, jumping, skipping. Pupils will also have the opportunity to use fitness equipment in a safe environment - Mini dumbbells, mini kettlebells, resistance bands and more. Each week there will be spot prizes for participation and awards for all in the final week.

- Dodgeball

What great fun dodgeball is! In this club the skills require to be a pro – dodge, dive, dip and duck! Pupils will learn the rules of the game and work on playing safely in a fun environment. The game will progress over the weeks to include mini barriers and target practice. There will be weekly spot prizes and awards for all in the final week of term.

- Max Coding

MaxCoding is an up and coming technology and computer club. It will give pupils the opportunity to use and explore a wide a range of equipment such as Osmo, Sphero, Ollie, LegoBoost, Dash & Dot, Tynker and more. The club is run by qualified educators with a passion for coding and working with children. This after school club consists of a range of challenges, coding and games using the equipment and children will be able to develop their ICT skills over the course of the ten weeks.
