

What is Google Classroom?

Google Classroom is a collaboration tool for teachers and pupils. In Primary 6 & 7, we will be using Google Classroom for a lot of our learning in school and at home.

As well as using Google Classroom to complete tasks within school - we will create and assign homework tasks via Google Classroom too!

We are using the month of June in Primary 6 to get used to using Google Classroom. There are lots of fun features that we know you will enjoy.

You have your own C2K username and password - you can access Google Classroom via the internet on any device.

Instructions for accessing google classroom

To access Google Classroom on a PC or a laptop

1. Go to www.c2kschools.net then type in the C2K username and password.

A screenshot of a web browser displaying the login page for MY-SCHOOL. The browser's address bar shows the URL: <https://ids.c2kschools.net/nidp/idff/sso?id=3&sid=0&option=credential&sid=0>. The login form is centered on the page and contains the following fields: "Username:" with a text input field, "Password:" with a password input field, and a "LOGIN" button. Below the password field, there are links for "Accessibility Guidelines" and "Forgotten Password". A large red arrow points from a yellow callout box on the right towards the login form. The callout box contains the text: "Enter your C2k User Name and password". The browser's taskbar at the bottom shows the date and time as 07:28 on 01/06/2020.

2. Your normal homepage will load. It looks like this.

Welcome to your new account

Welcome to your new account: dstewart295@c2ken.net. Your account is compatible with many Google services, but your c2ken.net administrator decides which services you may access using your account. For tips about using your new account, visit the [Google Help Centre](#).

When you use Google services, your domain administrator will have access to your dstewart295@c2ken.net account information, including any data that you store with this account in Google services. You can learn more [here](#), or by consulting your organisation's privacy policy, if one exists. You can choose to maintain a separate account for your personal use of any Google services, including email. If you have multiple Google accounts, you can [manage which account you use](#) with Google services and [switch between them](#) whenever you choose. Your username and profile picture can help you ensure that you're using the intended account.

If your organisation provides you access to the G Suite core services, your use of those services is governed by your organisation's G Suite agreement. Any other Google services that your administrator enables ("Additional Services") are available to you under the [Google Terms of Service](#) and the [Google Privacy Policy](#). Certain Additional Services may also have [service-specific terms](#). Your use of any services that your administrator allows you to access constitutes acceptance of applicable service-specific terms.

Click 'Accept' below to indicate that you understand this description of how your dstewart295@c2ken.net account works and agree to the [Google Terms of Service](#) and the [Google Privacy Policy](#).
