

ST JOSEPH'S PRIMARY SCHOOL

42 Castle Street, Lisburn

What our parents say:

"The breadth of learning experiences and opportunities is excellent. Pupils are regularly outdoors, on visits to local parks and using sports and educational facilities. Their learning is truly holistic and provides opportunity for success in a range of ways both academically and socially."

"My family have been involved with St Joseph's for 15 years. We will be very saddened to end this connection with the school when our youngest child leaves next year. St Joseph's is a place full of fun, happy children and wonderful staff, who go above and beyond."

"The most important thing I can say about St Joseph's is that it is a happy school. The children are well supported both academically and pastorally and their achievements are celebrated regularly. They are well looked after and it shows on their smiling faces!!"
